Hannaford Replenish - Add Value to Existing Card							
<p>Hannaford has now made available to St. Thomas an opportunity to add funds to existing gift cards. This process is different than the shopwithscrip.com "Reload" function. However, you can still order this new functionality through your shopwithscrip.com account. You may still pay either by Check or PrestoPay. All Replenishments to Hannaford cards will be done with weekly Scrip Orders on Monday mornings. Funds will be available the day after the Scrip order. You must provide the 19 digit number from the back of your card. Replenishments must be in \$50 increments, up to a total card value of \$500.</p>
